

Attention football fans:

In case you are not aware of this, "Total Recall Productions" (formally rdbmStudios) has been video taping the Greendale varsity football season the past several years, and compiling everything together to create a truly remarkable keepsake that can be purchased by anyone who would like one. This video contains highlights of all games, practices and events that transpire through out the season and is intended to be a captured memory that will last forever. Rodney Mattrisch and Chuck Cairns are the two gentlemen responsible for capturing, editing and creating these DVD sets. Examples can be viewed under the Media Room – Video section of the GPTC website. Past videos are still available if you would like one.

In the past, after the video was complete, they produced approximately 50-sets in hopes of selling a minimum of 30 to players and/or their families. This past year, that did not happen so they are now concerned as to whether or not this is worth their effort anymore. Out of the 40+ boys that played on that State Runner-up team, only 24 DVD-sets were sold. It is our feeling that copying may be going on, which is too bad because this is not really fair to these gentlemen who are spending all of their time and effort in making this available.

As a result, a solution was worked out that should make everybody happy. We really want to keep this going so instead of assuming that there will be at least 30 DVD sets sold at the end of the season; we are going to ask people to sign a pledge stating that they will purchase a DVD at the end of the season when they become available. **If we DO NOT receive 30 commitment forms back, there will be no video made.** We really hope that we can meet this requirement because I'm sure that there are players and families out there that would love to have one of these.

Please fill out the form below and return it to our PO Box if you intended to purchase a DVD. The prices will be determined by the following criteria. 9-game season only = \$30.00/ea, 9-game season + 2 playoff games = \$40.00/ea, 9-game season + 3 or more playoff games = \$50.00/ea. A current status and total will be kept on the website so that you can see where we stand. Remember that by signing your name; you are in fact saying that you will buy one.
