# Greendale Panther Touchdown Club Become a Member Today!

A Football season is always upon us. To continue the success of the Panther Football Program, we are looking to organize a Panther Football Club specifically geared toward Alumni and other Greendale Football Fans to help aid the program in ways that are needed but not always able to be funded.

### Mission Statement

The mission statement of the Panther Touchdown Club is to work cooperatively with the Greendale Community School District to support the efforts of the Greendale Panther High School Football program, and to foster a sense of community and school spirit in the district. Recognizing that needs vary from activity to activity, Booster Club support may come in such forms as presence and encouragement at activities, providing needed volunteers, or the form of financial support.

### Who Do We Need?

Alumni of GHS and any other Greendale Football fan who wants to help make a difference.

### Why Are We Doing This?

Our governing principle is to support the Greendale High School Football program by raising money to purchase supplies, equipment, and/or capital items beyond what the school athletic budget provides.

### What's in it for you?

You will receive a quarterly newsletter updating you on GHS Football. You will also receive the satisfaction of contributing to the continued success of the Greendale High School Football Program.
